RESPONSE TO FINAL OFFICE ACTION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This paper is submitted in response to a final office action dated June 23, 2005 ("Final Office Action"), in which the Examiner rejected all claims 1-42 as obvious (35 U.S.C. §103) over cited art. On August 23, 2005, the attorney for Applicants and the Examiner held a phone interview discussing certain of the rejected claims, including claims 1 and 2. Although no agreement was reached, the Examiner requested the attorney to submit the arguments for consideration. The Examiner indicated that he may follow-up with the Applicants to discuss any outstanding issues or discuss changes to the claim language.

Applicants traverse the prior art rejections and submit that all pending claims 1-42 are patentable over the cited art and in condition for allowance for the reasons discussed herein.

Remarks/Arguments begin on page 2.
